Academy, having expired, he is about to re-

make no sectional platform—they are for the country, the whole country, and will not play into the hands of the Black Republicans by incorporating their idea into our platform.

The Abolitionists of all grades and colors want Congress to legislate upon the subject of alavery, that they may prohibit it from the Territories, while the ultra men of the black for the faithful, to call the faithful to order in their abolition societies.

The National Democracy will be alread to purposes of raising hogs for market.

The first permanent and important result has occurred—it is now a "fixed fact" and the propulsion of vessels by steam, in spite of the winds and the currents, now diversifies the commerce if facilitates among and increasing population—or demand.—they want be a less supply of the birth-place of Abe Lincoln. Not content with this, they have sawed a log at least eight feet long, from out the cabin, to make gavels for the faithful, to call the faithful to order in their abolition societies.

Bay. He says "they are the Vanderbilts of in the Cotton States, has increased, and is the sea."

The Democratic Emblem a local scenario and prejudices, this opinion to direct its injuries entirely towards Hickman, as it very frequently will call out Hickman's name. This is a very singular occurrence.

The Democratic Emblem a local scenario and prejudices, this opinion still prevails, whilst the causes that gaverise to it have passed away forever. Few men cannot and digest the philosophy of their own opinions. Ask one hundred men—all Southern cotton planters—if they would deem it expedient, as a permanent system of deem it expedient, as a permanent system of democratic Emblem a local scenario and prejudices, this opinion and grain at the outer gates of the great highway of nations.

Another collateral topic, and an important one, may here be alluded to. We advise that the best breeds of hogs be procured to that the best breeds of hogs be procured to that the best breeds of hogs be procured to that the best breeds of hogs be procured to that the best breeds of hogs be procured to that the best breeds of hogs be procured to the layers of alluvial deposit along the domestic economy, to buy their supplies of the Nile, made by its annual over-banks of the Nile, made by Charleston Mercury writes from New York:

The old log schoolhouse in Winehester, in this State, in which Judge Bouglas taught to be adopted as an emblem of the great national Democratic party. It is peculiarly appropriate that the Democratic party. It is peculiarly appropriate that the Democratic party, which deep single flounce bias is being tried in Paris; if it succeeds, we shall probably see it, but the world may be revolutionized be
The old log schoolhouse in Winehester, in this State, in which Judge Bouglas taught bacon annually at 121 to 20 cents per pound, and but one answer would be given—no! And yet is not 12½, perhaps 15 cents, the area prints that the Democratic party, which believes in the intelligence of the people, their capacity for self-government, and their will range fully at that mark, and even will range fully at that mark, and even if the manage their own affairs, should select the schoolhouse as its most fitting.

A year or two ago it sold at twenty cents select the schoolhouse as its most fitting A year or two ago it sold at twenty cents

the subject of the treaty. The people held another meeting on their own account, in which the excitement ran high, and articles were drawn up for presentation to the Government of Hondurgs, requiring cartain will of a large majority of the Demogration in the subject of the treaty. The people held another meeting on their own account, in Fitch, in the course they have seen proper to pursue, in endeavoring to defeat and the fitch in the course they have seen proper to footnote the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the article exercise. The Essex, the Grazier, the Woburn, the Berkshire, the No-species application exhibits the mighty work applicant, the Suffolk, and other breads, are inshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise this absolute necessity—the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed, to raise the imment of food—in the form of grass, roots, and grain to be form isshed to raise the imment of food—in the form of grass, roots, and grain to be form in the form of grass, roots, and grain to be form in the form of grass, roots, and grain to be form in the form of grass, roots, and grain to be form in the form of grass, roots,

mode never has and never will supply the demand. It has been tried from Virginia to Texas, ever since the country has been colonized and settled, and failure has been written upon every page of our history in this respect. Besides, it will cause deterioration in the steek of this useful animal, reducing him, so thrifty, so plump, so beautiful when well cared for, into a walking skeleton of bones, hair and bristles, as an attachment to a walking attachment to a walking attachment to a walking artischment to a walking and public considerathe believed then that the proper system or each farmer or planter to pursue, in order to raise his own meat and perhaps ome for sale, is to include his entire farm or planter to make the state of the best hops, are not always selected as candidates for popular honors and distinctional triangles.

the sea."

The four years term of service of Col.

Detafield, as Superintendent of West Point the West than to raise it at home. The causes which produced these results are on must furnish food sufficient to raise the must furnish food sufficient to raise the causes which produced these results are on must furnish food sufficient to raise the must furnish food sufficient to raise the set in motion acquire a momentum—community of park required. In addition to must furnish food sufficient to raise the amount of pork required. In addition to the two leading crops—corn and cotton—if hog raising is pursued, oats, rye, and, on uplands, wheat crops must be raised, also potatoes, ground peas, and cow peas in the cornfields targely.

It is useless to attempt to produce an effect without putting in action are adjusted.

All Sorts of Paragraphs.

If these views are correct, a revolution in the domestic markets of the country has been consummated, and, henceforth, the Cotton States will have either to raise their own supplies of bacon or buy it at ruinous prices. And who can doubt our true interport when this issue is presented? And that Difficulty with Spain.

On Saturday, the 6th of May, two Cabinet Councils were held at Madrid, over one of which the Queen herself presided, for the Councils were held at Madrid, over one of which the Queen herself presided, for the Councils were held at Madrid, over one of which the Queen herself presided, for the Queen herself presided, for the Councils were held at Madrid, over one of which the Queen herself presided, for the Councils were held at Madrid, over one of which the Queen herself presided, for the Queen herself presided, f

It is added that the result of the two Councils was the transmission of an entre ter prepared to frame their own local laws than a body styled Congress, some several thousand miles away. If we can form any just estimate of public sentiment, we do not missed our readers in saying that the party demands the re-adoption of the Cincinnaia Platform, and the nomination of Stephen A. Dougliss, as the champion and defender of the deotrine it maintains.

THE REVOLUTION IN SIGHLY Capture of Palermo!!

Triumph of Garibaldi Confirmed ! Halifax, June 13 .- The Niegara arrive ere at it o'clock this evening. She has in massengers for Baston, at which port she will be due early on Friday morning. The reports of Garibaldi's successes are enfirmed. He attacked Palermo from the outh side, at I o'clock in the morning of sity, flag in hand, after a desperate combat of six hours' duration, and during an active combardment by sea and land. The Royal troops retreated to the palace and the other public buildings. Hostilities were renewed,

on the proposition to order its discontinu-nace. The troops were concentrated in the astle, on which Garibaldi commenced an at-ack at noon on the 28th. The English Admiral had offered protes tion to American citizens at Palermo. There was great agitation in the Court and Ministry at Naples. The Ministers tendered their resignations on the 29th. A Liberal Cabinet was expected to be formed.

Garibaldi was already carrying out impartant administration programs at all places.

I am very thankind that he did a system of proffice in appropriating a system of proffice in appropriating a system of proffice in appropriating 57,000,000 for fraudient passioners. Mr. Bigler said k did not like to hear the professional system of proffice in appropriating as a system of proffice in appropriating elved a pecuniary favor from a political had die fill it was fany repaid. And het me here honor one grateful recollection. When here honor one grateful recollection. When the Whig party, under your rule, had offices to give, my name was never thought of: Senators who voted for the measure. He but when, in 1842 and 1843, we were hope.

lessly out of power, I was honored with the party nomination for State Printer. When we came again to have a State Printer to telect, as well as nominate, the place went to Weed, as it ought. Yet it was worth something to know that there was once a time when it was not deemed too great a sacrifice to recognize me as belonging to your household.

If a new office had not since been created on purpose to give its valuable patronage to H. J. Raymond, and enable "St. John" to show forth its Times as the organ of the Whig State Administration, I should have been still more grateful. In 1848 your star again rose and my warmest hopes were real.

If a new office had not since been created on purpose to give its valuable patronage to M. J. Raymond, and enable "St. John" to show forth its Times as the organ of the Continued to show forth its Times as the organ of the Continued to show that the tecpublicans were friends of extravagance. Theywere deep in corruptive to the intention of the treaty, an actual draw upon the extravagance. Theywere deep in corruptive to the feature of the treaty went into operation, the sould not for a Senator to protest against i. In what he said, he had disclaimed my imputation on any Senator.

Mr. Toombs said e would give way for an explanation, but sould not for a Senator to protest against i. In what he said, he had disclaimed my imputation on any Senator.

Mr. Bigler said he tid protest.

Mr. Bombs replie that if he was not satisfied with the remark, he could get satisfaction here or outside the chamber. He was speaking of the covernment and made no personal imputations. He continued to show that the teepublicans were friends of extravagance. Theywere deep in corruptive content in the schedule, is one of incalculable value. It is all that she could ask or desire, for the schedule embraces everything she has to extend the schedule, is one of incalculable value. It is all that she could ask or d be show forth its Times as the organ of the Whig State Administration, I should have been still more grateful. In 1848 your star again rose and my warmest hopes were realized in your election to the Senate. I was no longer needy and had no more desire to be recognized by General Taylor. I think that some claim to forbearance from you. What I received thereupon was a most hunditating lecture in the shape of a decision in the libel case of Redfield and Pringle, and an obligation to publish it in my own.

First, as to persons, the House bill in our most cherished friends think me a great cludes all citizens over twenty-one years old and all who have declared their intentions. Schoolcraft insisted that you and Weed shall The Senate excludes all but heads of family not be identified with me. I trust, after a lies, cutting off all young men over twenty-time, you will not be. I trust I shall never one, a large and valuable portion of our popbe found in opposition to you. I have no ulation. Second, the House bill includes in dit it. The announcement might well be be found in opposition to you. I have no ulation. Second, the House bill includes in further wish but to glide out of the news- its benefits all pre-emptors now on the public paper world as quietly and as speedily as possible, join my family in Europe, and if possible stay there long enough to cool my fevered brain, and renovate my own tasked energies. All I ask is that we shall be counted even on the morning after the first Tuesday in February, as aforesaid, and that i may therreafter take such a course as seems best, without reference to the past. You have done me acts of valued kinduess in the line of your profession. Let me close ability. It was work that made no figure and created no sensation, but I loved it and I did it well. When it was done you were Governor and dispensing offices worth from \$3,000 to \$20,000 per year to your friends and compativity. And I returned to my garret and my crust and to a desperate batter of the property of the property of their nick. Some warrant speculators have had the property of their nick. Some warrant speculators have had the property of their nick. Some warrant speculators after gratefully remembered by HORAGE GREELEY. their pick. Some warrant speculators after with clubs on one of the islands near the a land sale could acquire a little at once under the Senate bill, but an actual settler would have to wait five years and then pay CHICAGO, June 14 .- The concert in the twenty-five cents per acre and the land-office fee. Fourth—The House bill gives the land to the settler for ten dollars for a quar-ing him as a traveling agent. wigwam last night, for the benefit of the sufferers of the late tornado in Iowa, was a splendid affair. The Hall was crowded to er section. The Senate bill requires forty its utmost capacity; not less than 8,000 or 10,000 people were in attendance. The subscriptions thus far, with the receipts from the concert, amount to about \$5,000. dollars for a quarter section, being costly as the graduated lands in Fifth-The Senate bill compels the President to expose the public land for sale in two years after a survey. The House bill does not. The House has passed a separate The Democratic State Convention, for the nomination of State efficers and Presiden-tial electors met at Springfield yesterday.

bill now pending in the Senate, preventing sale until ten years after the survey. Mr. Colfax added-There was no land of BENAY any consequence except in Minnesota, Washington and Oregon Territories to which the Senate bill would apply, and but little in California, Kansas and Nebraska. Under the House bill, the government land everywhere would be open to the pioneer.

The House then resolved to adhere to their every described to the control of the c

heir own bill, without division

House took a recess from 41 to 7 o'clock, Mr. Ely, of New York, indicated points of a speech on the 26th of March last, when he had the honor to move a resolution, which was adopted by this House, but to which no response has real way to the speech of March last, when he had the honor to move a resolution, which was adopted by this House, but to which no response has real way to the fracter of Mock, Wicks & CO. 315 and 317 Malo at which no response has yet been received, calling on the President of the United States for information relative to the practical means and will supply Mesers. Succline & Hughe & Eddw PHILADELPHIA, June 13.—The Japanese pont the afternoon in visiting Girard Colege, penicentiary, the circus, and other inworking of the treaty concluded with Great
Britain on the 5th of June, 1854, commonly
called the reciprocity treaty. This treaty
has at least six years to run. It was, he

have been wholly perverted, and it has been used as a means of defeating and utterly abolishing the internal policy which it was at former rates, 15 therees have p. 1. LARO—Sales 978 tierces name p. pieces hand at 14c. ROPE-Sales 200 colls hand at 7 4c.

The House then resumed the consideration of the Senate amendments to the army bill The amendment appropriating nearly \$800,000 for calling a Texas mounted regiment into the field, was amended by the addition of a proviso-that this shall not b

7at \$1 10@1 90; 25 at \$2@2 80; 22 at \$1@3 90; 15 at \$4 75; 22 at \$5@5 95; 6 at \$6@6 96; 5 at \$7@7 50; 7 at \$8 04@8 90, and 2 \$9 35@9 90.

Mr. Olin opposed the amendment as wholly unnecessary. Every intelligent army officer disapproves and condemns the calling of the mounted regiment into the field. The amendment was urged on the ground that the army was unfit for service

on the Texas border.

Mr. McRae accused Mr. Olin of a cold blooded spirit and sectional prejudices. He was convinced of the butcheries, but was not willing to arrest them.

Mr. Olin indignantly replied to this that he was opposed to the amendment because he wanted to put an end to the difficulties by preventing hell hounds from pouncing upon peaceable indians and depriving them

the proposition now pending merely in-creased the amount \$70,000.

Mr. Curtis remarked that the aggregate Why should not even this small amount be now appropriated for works in fifteen States?

Mr. Perry thought we did not want the

to consider an important proposition of this character. The House should stand by the appropriation bill which it had passed. The report of the Committee on Elections n the Kentucky election case was con

urther depredations.

Note .- The remainder of the proceed ings of the House and Senate we are unable to obtain, on account of a severe lightni storm on the wires east of Buffalo.—Rer.

From St Louis. Sr. Louis, June 13 -Judge Reber in the

Court of Common Pleas this afternoon over ruled the motion for a new trial in the case of Carstang vs Shaw. The award of premiums for the best hogs head of manufacturing and shipping tobac co raised in this State was made at the Stat Tobacco Warehouse to day. The first pre-mium of \$40 for best manufacturing was awarded to John O'Connor, of Calloway county; the second of \$40 to John Craig Defy Competition!! Cridle, of Cape Girardeau; the second \$20 to the same. The first premium hogs head was purchased by R. W. Lewis & Bro. of Glasgow, for \$250 per hundred pounds. the highest price ever paid in the country The second premium hogshead was sold t Leggett & Dousman, of St. Louis, for \$7

per hundred pounds. All competing tobac co offered for sale brought extraordinar
